FROM JERUSALEM TO THE NATIONS

# Standing Together *in Prayer*

TIKKUN GLOBAL

**Thank you for standing with us in prayer as we continue serving and advancing God's Kingdom from Jerusalem.**
Here are a few ways you can pray for us:

### Financial Provision

The drop in the dollar and the economic effects of the war have led to a significant decline in donations across ministries in Israel. We have reduced expenses, but finances remain challenging. Please pray for the Lord's provision and wisdom as we steward our resources.

### Leadership Transition

Pray for a fruitful generational transition as Asher entrusts more of the ministry to the next generation, with Ariel stepping into the primary leadership role and Jeremiah serving alongside him as associate director. Pray for unity and wisdom.

### Protection over our Ministry Center

Pray for the Lord's protection over our space in downtown Jerusalem. We have experienced shattered windows, a burst pipe behind our kitchen wall, and a deliberate attack on our entire AC system. The damage was costly and complicated to repair, and we believe the attack was likely motivated by opposition to our faith.

### Direction for 2027

In November, our leadership team will seek the Lord together about the year ahead. Pray for clarity about the priorities He wants us to focus on.

## Ethiopia Outreach

A group will be sent to Ethiopia soon in order to strengthen relationships and serve the local believers. Please pray for the preparations, the participants, the Lord's protection and guidance, and that the ministry will bear fruit and be a blessing.

## Armenia Outreach

Another group will be sent out to Armenia in order to build relationships and serve the local brothers and sisters. Please pray that the Lord will open doors, guide the participants and bless their ministry.

## Growth and Immersion in God's Word

We are starting a program whose goal is to edify, enrich and encourage members to grow in the Word of God, and to deepen their faith and spiritual life. Please pray for the program, leaders and participants, and pray that the Word of God will take root in their hearts, bring transformation, spiritual growth, and bear fruit.

## Congregational Retreat and Vacation

We are planning a joint retreat for all congregation members and their families in order to create quality time for fellowship, unity and mutual edification. Our desire is for all the families to come together, deepen relationships and strengthen unity.

### Shavei Zion

Please pray for blessing, anointing, wisdom, direction and protection for our:

- Work among the youth and next generation
- Home groups in the congregation

Financial provision for expansion of our music school's property.

Grace and blessing on a project reaching out to non-believers, which has already been launched.

### HARVEST of ASHER קציר אשר

Please pray for healing in general for the members of our congregation.

### REVIVE ISRAEL

"Your kingdom come. Your will be done on earth as it is in heaven." This prayer shapes our shared life at Revive Israel.

In our 40-day "Your Kingdom Come" discipleship program, young Israelis study Scripture in Hebrew and learn to follow Yeshua in everyday life through worship, prayer, and shared work. We pray for His Word to bring healing and lasting change.

At our Friday market, we pray for open hearts as we share Yeshua with fellow Israelis. On our community farm, Valérie teaches autistic participants from Scripture as they work alongside us.

Please pray that they will know Yeshua's love personally, and that God will raise up disciples who live out their faith in everyday life here in Israel.
